

ASA

Is your Will up to date?

Studies show that some 48% of Canadians do not have a Will. Of the 52% that do have one, 75% of those are out-of-date. Getting this taken care of will alleviate pressure from you and ensure that your wishes are followed in the future. As an Accredited Senior Agent, one of the values I bring to you is a **network of exceptional specialists**, including lawyers who can prepare a Will for you if you don't have one, and financial advisors who can help you minimize the taxes your estate will have to pay.

Call me today & *let's set a time to talk about your needs.*
