

# ASA

## When was the last time you sold real estate?

Things have changed significantly over the years, and continue to do so. I'll take the time to make sure you are comfortable and informed, so you can make the best decisions for YOU.

Even if that means you decide to stay where you are for now.

As a counsellor, ***my primary role is to assist you (and anyone else you want involved) in coming to the best decisions for YOU.***

Call me today & ***let's set a time to talk about your needs.***
